

Heavy Duty Bases

Stainless Steel Single Point Scale Bases

EC

FEATURES

- **Extra heavy duty structure for industrial applications**
- **All stainless steel construction**
- **OIML R60 Approved C3 stainless steel load cell**
SPX: Aluminium load cell enclosed in stainless steel
- **IP67, IP68 or IP69K rated load cells**
- **Adjustable levelling feet**
- **Stainless steel goods plate**
- **Spirit level**
- **Column bracket mounted on short side**
- **370mm high circular stainless steel column on SAX & SBX**
- **650mm box section stainless steel column on SFX, SLX and SXLX (SPX?)**

SPECIFICATIONS

Model	Platform Capacity (kg)	Load Cell Capacity (kg)	Platform Dimension (mm)
SAX-3	3	10	300 x 300 x 110
SAX-6	6	10	
SAX-15	15	20	
SPX-3	3	10	300 x 300 x 110
SPX-6	6	10	
SPX-15	15	20	
SBX-6	6	10	400 x 300 x 130
SBX-15	15	20	
SBX-30	30	50	
SFX-30	30	50	500 x 400 x 150
SFX-60	60	100	
SFX-150	150	200	
SFX-300	300	500	
SLX-60	60	100	600 x 500 x 150
SLX-150	150	200	
SLX-300	300	500	
SXLX-150	150	200	800 x 600 x 150
SXLX-300	300	500	
Load Cell	OIML R60 Stainless Steel Load Cell SPX: IP68 Aluminium load cell in stainless steel enclosure SAX & SBX : IP67 rated Load Cell SFX, SLX, SXLX: IP69k rated Load Cell Rated Output = 2mV/V/ Output Impedance = 350 ohm
