

VANTAGE 3 MONO SCALE

Our Vantage 3 Mono Scale offers premium weighing and features our flagship terminal software, all housed in stainless steel, including a heavy duty scale that's built to last.

The Vantage 3 Mono Scale is a high quality, industrial weighing station that's not only well built, but constructed of the highest quality stainless steel. With Stevens terminal software pre installed, you are ready to weigh via your vibrant, colour touchscreen. Flexibility is also important which is which we give you the choice of 3 scale height options, to suit your needs.
